# Is Your Community Doing Anything About FOG?

The City of Ferndale is currently developing a FOG Program under it's Sanitary Sewer Code. It is anticipated that the FOG Program will be implemented in 3 phases:

**Phase I** - Ordinance Development/Public Awareness

**Phase II** - Qualification/Discharge Permit Process

**Phase III** - Inspections and Enforcement

# Phase I

- Ordinance Development
- FOG Program Manual Development
- Public Awareness/Education Campaign

# Phase II

- Qualification of Establishments
- Discharge Permit Process
- Establish Best Management Practices (BMP's)

# Phase III

- Inspections
- Enforcement
- Reporting
